

2006 CANECT - Show Guide- as of April 27, 2006

- A3M Bio-Tek Solutions, Inc. #2006
Toronto, ON
Ph: 416-876-3317 Fx: 416-467-8008
Products/Services to be displayed: Eco Bio Blocks (EBB), is a non-toxic natural water cleanser made of microbe, cement and porous stones.
- ACG Technology Ltd. #2015
Woodbridge, ON
Ph: (905) 856-1414 Fx: (905) 856-6401
Products/Services to be displayed: Industrial & municipal wastewater and stormwater treatment systems.
- ACI Instrumentation Limited #2108
Woodbridge, ON
Ph: (905) 265-0063 Fx: (905) 265-0064
Products/Services to be displayed: Process instrumentation field devices and controls such as flowmeters, level monitors and switches, pressure, temperature and analytical measuring and recording/control products.
- Activation Laboratories Ltd. #1910
Ancaster, ON
Ph: (905) 648-9611 Fx: (905) 648-9613
Products/Services to be displayed: Laboratory testing services.
- ADI International Inc. #1828
Fredericton, NB
Ph: (506) 451-7407 Fx: (506) 459-3954
Products/Services to be displayed: Arsenic removal, hydrosulfide removal.
- AGAT Laboratories #1835
Mississauga, ON
Ph: (905) 501-9998 Fx: (905) 501-0589
Products/Services to be displayed: Environmental analysis.
- Almetek Industries, Inc. #2109
Hackettstown, NJ
Ph: (908) 850-9700 Fx: (908) 850-9618
Products/Services to be displayed: Storm drain markers.
- Altech Technology Systems #1903
Toronto, ON
Ph: (416) 467-5555 Fx: (416) 467-9824
Products/Services to be displayed: Venturi scrubber, membrane bioreactor.
- Aqua Treatment Technologies Inc. #2026
Campden, ON
Ph: (905) 563-3778 Fx: (905) 563-4025
Products/Services to be displayed: Constructed wetlands for wastewater treatment (wetland biofilter system).
- Armtec #2113
PO Box 3000, Guelph, ON N1H 6P2
Ph: (519) 763-2360 Fx: (519) 763-0437
E-mail: ctyszecki@armtec.com
- Ashtead Technology Rentals #1922
Mississauga, ON
Ph: (905) 607-9639 Fx: (905) 607-8592
Products/Services to be displayed: Rental of environmental, non-destructive testing and remote visual inspection instruments.
- Avensys #2032
Pointe-Claire, QC
Ph: (514) 428-6766 Fx: (514) 428-8999
Products/Services to be displayed: Air & water instrumentation.
- Avoca-Tec Environmental Services #2131
Scarborough, ON
Ph: (416) 701-1148 Fx: (416) 701-1889
Montreal, QC
Ph: (514) 341-7777 Fx: (514) 341-0353
Products/Services to be displayed: Magnetic fluid treatment, water filtration.
- Baker Tanks #1745/1747
Seal Beach, CA
Ph: (562) 430-6262 Fx: (562) 430-6412
Products/Services to be displayed: Rental solutions for solid/liquid containment, pump & filtration needs.
- Bluewater Environmental Inc. #1916
Point Edward, ON
Ph: (519) 337-0228 Fx: (519) 337-9178
Products/Services to be displayed: Environmental products; remediation technologies.

Cadman Power Equipment Ltd. #2112
 Courtland, ON
 Ph: (519) 688-2222 Fx: (519) 688-2100
 Products/Services to be displayed: Temporary storage bags for emergency response.

Caduceon Environmental Laboratories #2024
 Kingston, ON
 Ph: (613) 544-2001 Fx: (613) 544-2770
 Products/Services to be displayed: Laboratory services for a complete range of environmental services.

Canada Colors & Chemicals Ltd. #2033
 Don Mills, ON
 Ph: (416) 443-5570 Fx: (416) 449-4269
 Products/Services to be displayed: Chemical distributor.

Can-Am Instruments Ltd. #1815
 Oakville, ON
 Ph: (905) 829-0030 Fx: (905) 829-4701
 Products/Services to be displayed: Oil/water monitors, oil/water separators, samplers, flowmeters.

Cancoppas Limited #2004
 Mississauga, ON
 Ph: (905) 569-6246 Fx: (905) 569-6244
 Products/Services to be displayed: Full line flow, level, sludge blanket, dissolved oxygen, suspended solids, wastewater samplers, residual total chlorine analyzers.

Claessen Pumps Limited #1804/1808
 Innisfil, ON
 Ph: (705) 431-8585 Fx: (705) 431-2772
 Products/Services to be displayed: Pumps

Con Cast Pipe #2123
 Guelph, ON
 Ph: (519) 763-8655 Fx: (519) 763-1982
 Products/Services to be displayed: ecoStorm, ecoSep, ecoStop

Contor Terminals Inc. #2124
 Mississauga, ON
 Ph: (905) 670-7771 Fx: (905) 670-8721
 Products/Services to be displayed: Mini ISO container.

Cover-All Building Systems of Ontario #2005
 Lucknow, ON
 Ph: (519) 528-2922 Fx: (519) 528-2890
 Products/Services to be displayed: Pre-fabricated steel truss fabric buildings.

Dalimar Instruments Inc. #1909
 Vaudreuil-Dorion, QC
 Ph: (450)424-0033 Fx: (450) 424-0030
 Products/Services to be displayed: Dalimar is a distributor of technical instrumentation, enAcoustic Test Product, Vibration measurement products and more.

Dewind One-Pass Trenching #1811
 Reno, NV
 Ph: (775) 853-9447 Fx: (775) 853-9448
 Products/Services to be displayed: One-pass trencher, installation of groundwater collection trenches, slurry walls & PRBs.

EarthGuard Environmental Group Inc. #2133
 Richmond Hill, ON
 Ph: (905) 763-1212 Fx: (905) 763-6789
 Products/Services to be displayed: Environmental software.

Echelon Response & Training Inc. #1823
 Oakville, ON
 Ph: (905) 971-5113 Fx: (905) 643-3106
 Products/Services to be displayed: Echelon Response & Training Inc. is a provider of response and clean-up services for any unplanned release of hazardous and non-hazardous materials throughout North America. Echelon provides confined space entry solutions including facility auditing, training, rescue team training, and confined space data management.

ECO Canada #1933
 Calgary, AB
 Ph: (403) 233-0748 Fx: (403) 269-9544
 Products/Services to be displayed: ECO Canada - The Environmental Careers Organization - provides human resource services for the environment industry including: largest national job board, wage-subsidy internships, certification for professionals and the Environmental Employer of the Year Awards. Please visit booth #1933 for more information or www.eco.ca.

EcoLog ERIS/HazMat Magazine #2007
 Toronto, ON
 Ph: 416-510-6864 Fx: (416) 510-5133
 Products/Services to be displayed: HazMat Magazine, ERIS Service, EcoLog Legislation service, Compliance newsletters.

EEM Inc. #2034
Montreal, QC
Ph: (514) 481-3401 Fx: (514) 481-4679
Products/Services to be displayed: NIMONIK

Electro Rent Corporation #1930
Mississauga, ON
Ph: (905) 361-1400 Fx: (905) 361-0232
Products/Services to be displayed: Portable gas analyzers - rentals

Elemental Controls Limited #1814
Mississauga, ON
Ph: (905) 282-9974 Fx: (905) 282-9519
Products/Services to be displayed: Environmental XRF equipment.

Entropy International Inc. #1753
Ottawa, ON
Ph: 877-766-7679
Products/Services to be displayed: Risk management software solutions - The Entropy System

Enviro Test #1927
Waterloo, ON
Ph: (519) 886-6910 Fx: (519) 886-9047
Products/Services to be displayed: Environmental testing

Environment Canada #2013
Downsview, ON
Ph: (416) 739-5867 Fx: (416) 739-4405
Products/Services to be displayed: Government materials

Environment Canada #2012
Gatineau, QC
Ph: (819) 994-7499 Fx: (819) 994-0196
Products/Services to be displayed: Corporate communications.

Environmental Analytical Systems #1923
Barry's Bay, ON
Ph: (613) 756-0101 Fx: (613) 756-0909
Products/Services to be displayed: Scientific instruments

Environmental Science & Engineering Magazine #2105
Aurora, ON
Ph: (905) 727-4666 Fx: (905) 841-7271
Products/Services to be displayed: Environmental Science & Engineering Magazine.

E.R.E. Inc. #2111
Montreal, QC
Ph: (514) 326-8852 Fx: (514) 326-8961
Products/Services to be displayed: Remediation, filtration & separation, sampling & monitoring equipment.

Fabricated Plastics Limited #2126
Maple, ON
Ph: 905-832-8161 Fx: (905) 832-2111
Products/Services to be displayed: Scrubbers and related chemical processing and storage equipment using plastic materials.

Filter Innovations Inc. #1834
Toronto, ON
Ph: (416) 490-7848 Fx: (416) 490-0974
Products/Services to be displayed: Liquid filtration products, odour control.

Fluorescent Lamp Recyclers #2010
Ayr, ON
Ph: (519) 740-3334 Fx: (519) 740-2320
Products/Services to be displayed: Hazardous waste disposal services including lamps, mercury, PCBs & other.

Franz Environmental Inc. #1931
Vancouver, BC
Ph: (604) 632-9941 Fx: (604) 632-9942
Products/Services to be displayed: Environmental site assessment, modeling, remediation eng. design and implementation, risk assessment and litigation support.

GAP EnviroMicrobial Services #1904
London, ON
Ph: (519) 681-0571 Fx: (519) 681-7150
Products/Services to be displayed: Analytical lab services.

Gescan #1833
 Mississauga, ON
 Ph: (905) 858-3227 Fx: (905) 858-3959
 Products/Services to be displayed: Automatic data collection with store and forward capabilities, data & flow logger for the water and waste industries.

Global Electric Electronic Processing Inc. #1749
 Barrie, ON
 Ph: (705) 725-1919 Fx: (705) 728-1622
 Products/Services to be displayed: Electric electronic waste recycling.

Green Turtle Technologies #1911
 Mississauga, ON
 Ph: (416) 960-9968 Fx: (416) 960-5637
 Products/Services to be displayed: Wastewater solutions - grease/oil interceptors and wastewater neutralization.

GSI Environnement Inc. #2127
 Varennes, QC
 Ph: (450) 929-4949 Fx: (450) 929-1659
 Products/Services to be displayed: Residual waste management & site reclamation.

H2Flow Equipment Inc. #2135
 Concord, ON
 Ph: (905) 660-9775 Fx: (905) 660-9744
 Products/Services to be displayed: Water & wastewater treatment equipment, odour control, tanks.

Hanson Pipe & Products Canada, Inc. #1805
 Cambridge, ON
 Ph: (519) 622-7574 Fx: (519) 621-8233
 Products/Services to be displayed: Reinforced concrete sewer & water main products; Stormceptor water quality system.

Harbour Remediation & Transfer Inc. #1750/1751
 Toronto, ON
 Ph: (416) 406-0987 Fx: (416) 406-0476
 Products/Services to be displayed: HR&T, MOE-licensed owns and operates a Soil Transfer and Treatment Plant in the Toronto Portlands, with a facility that provides an excellent and proven treatment and disposal of contaminated soils.

Hybridyne Power Systems Canada Inc. #1905
 Newmarket, ON
 Ph: (905) 717-7794
 Products/Services to be displayed: Wind and solar hybrid energy systems for industrial/commercial peak shaving.

IndEco Strategic Consulting Inc. #1830
 Toronto, ON
 Ph: (416) 204-0361
 Products/Services to be displayed: General services as well as an Emissions Facility Benchmark program.

IVT Engineering Corp. #1810
 Toronto, ON
 Ph: (416) 663-0994 Fx: (416) 663-4976
 Products/Services to be displayed: Industrial ventilation air pollution control.

John Meunier Inc. #2132
 Mississauga, ON
 Ph: (905) 286-4846 Fx: (905) 286-0488
 Products/Services to be displayed: Water/wastewater treatment, UV/ozone disinfection

Jurassic Activated Carbon Inc. #2022
 North York, ON
 Ph: (416) 297-8876 Fx: (416) 297-9976
 Products/Services to be displayed: Sample of carbon.

Kentain Products Ltd. #1755
 Kitchener, ON
 Ph: (519) 576-0994 Fx: (519) 576-0919
 Products/Services to be displayed: Flexible PVC liners for chemical storage tanks.

Lab Synergy #2035
 Goshen, NY
 Ph: (845) 258-1200 Fx: (845) 258-1208
 Products/Services to be displayed: Titrators, extraction, distillation, digestion.

Layfield Geosynthetics & Industrial Fabrics #2104
 Vaughan, ON
 Ph: (905) 761-9123 Fx: (905) 761-0035
 Products/Services to be displayed: Geosynthetics

Levitt Instruments #2023
 Oakville, ON
 Ph: (905) 829-3299 Fx: (905) 829-2919
 Products/Services to be displayed: Portable & fixed gas detection, wireless monitors, industrial hygiene.

Loraday Environmental Products Ltd. #1906
 Barrie, ON
 Ph: (705) 733-3342 Fx: (705) 733-3352
 Products/Services to be displayed: Easy Cut Box Cutters.

Medi-Air #1932
 Campbellville, ON
 Ph: (416) 587-1655 Fx: (905) 854-5523
 Products/Services to be displayed: Tibbits air purification systems.

Minotaur G.S. Limited #1807
 Brantford, ON
 Ph: (519) 647-3729 Fx: (519) 647-3198
 Products/Services to be displayed: Stormceptor inspection and monitoring service.

Nelson Environmental Inc. #1926
 Winnipeg, MB
 Ph: (204) 949-7500 Fx: (204) 237-0660
 Products/Services to be displayed: Aeration, biofiltration, pond and tank covers. Surface water rehabilitation.

Nelson Environmental Remediation Ltd. #2014
 Spruce Grove, AB
 Ph: (780) 960-3660 Fx: (780) 962-6885
 Products/Services to be displayed: Thermal desorption for contaminated soil.

ONEIA #1832
 Toronto, ON
 Ph: (416) 531-7884 Fx: (416) 665-2032
 Products/Services to be displayed: Member company brochures

OACETT #2114
 Toronto, ON
 Ph: (416) 621-9621 Fx: (416) 621-8694
 Products/Services to be displayed: Certification information

Ontario Pollution Control Equipment Association #1935
 Midhurst, Ontario
 Ph: (705) 725-0917 Fx: (705) 725-1068
 Products/Services to be displayed: Member company directory.

Osprey Scientific Inc. #1754
 Edmonton, AB
 Ph: (780) 487-4334 Fx: (780) 483-9110
 Products/Services to be displayed: Environmental monitoring & testing equipment.

Performance Fluid Equipment Inc. #1801
 Orillia, ON
 Ph: (705) 325-6550 Fx: (705) 325-6551
 Products/Services to be displayed: seepex, Mycelix

ProMinent Fluid Controls Ltd. #1912
 Guelph, ON
 Ph: (519) 836-5692 Fx: (519) 836-5226
 Products/Services to be displayed: Chemical metering pumps, sensors, controllers.

Rain for Rent #1831
 Bakersfield, CA
 Ph: (661) 399-9124 Fx: (661) 393-1542
 Products/Services to be displayed: Pumps, pipes, tanks & filtration systems

Rice Engineering & Operating Ltd. #1824
 Vaughan, ON
 Ph: (905) 760-0170 Fx: (905) 760-0171
 Products/Services to be displayed: Environmental sampling & monitoring supplies

Rimbach Publishing Inc. #2008
 Pittsburgh, PA
 Ph: (412) 364-5366 Fx: (412) 369-9720
 Products/Services to be displayed: Pollution Equipment News, and Industrial Hygiene News

R.J. Burnside & Associates Limited #1813
 Orangeville, ON
 Ph: (519) 941-5331 Fx: (519) 941-8120
 Products/Services to be displayed: Environmental & engineering services to industrial, commercial & institutional.

RM Products Ltd. #2101
 Orillia, ON
 Ph: (705) 326-5580 Fx: (705) 326-3646
 Products/Services to be displayed: Containment storage sheds

SEACOR Environmental Inc. #1914
Mississauga, ON
Ph: (905) 670-5521 Fx: (905) 670-5159
Products/Services to be displayed: Environmental consulting services.

Service Filtration of Canada #1822
Mississauga, ON
Ph: (905) 820-4700 Fx: (905) 820-4015
Products/Services to be displayed: Pumps, filters, waste treatment equipment.

Sonic Soil Sampling Inc. #2122
Concord, ON
Ph: (905) 660-0501 Fx: (905) 660-7143
Products/Services to be displayed: Drilling equipment.

Spill Management Inc. #1748
Stoney Creek, ON
Ph: (905) 578-9666 Fx: (905) 578-6644
Products/Services to be displayed: Training equipment.

Stablex Canada Inc. #1924
Blainville, QC
Ph: (450) 430-9230 Fx: (450) 430-4642
Products/Services to be displayed: Hazardous waste treatment facility.

Stantec Consulting Ltd. #2031
Kitchener, ON
Ph: (519) 579-4410 Fx: (519) 579-6733
Products/Services to be displayed: Environmental and engineering consulting services.

Strata Soil Sampling Inc. #1913
Richmond Hill, ON
Ph: (905) 764-9304 Fx: (905) 764-1124
Products/Services to be displayed: Soil sampling equipment.

Team-1 Emergency Services #2100/2001/2002
Hamilton, ON
Ph: (905) 383-5550 Fx: (905) 574-0492
Products/Services to be displayed: Emergency response & training

Techs4Biz Corporation #2106
Markham, ON
Ph: (416) 716-9651 Fx: (416) 780-0802
Products/Services to be displayed: Inspection software and handheld devices.

Tecumseth Group #1900
Tottenham, ON
Ph: (905) 372-7107 Fx: (905) 936-6138

Products/Services to be displayed: kajaani TS Transmitter used to measure sludge concentrations. This measurement technology assists in the optimization of Sludge Presses. Environmental Gas Analyzers. Procal Gas Analyzers measure all types of emission gases using the latest in IR and UV technologies. Tecumseth Group in partnership with Metso and Procal provides the Waste Water Treatment industry as well as other industries Sludge Measurement Technologies and Environmental Emission Gas Analyzers respectively.

Testmark Laboratories Ltd. #2116
Garson, ON
Ph: (705) 693-1121 Fx: (705) 693-1124
Products/Services to be displayed: Tradeshow booth material re analytical testing services.

Thermo Electron #1812
Calgary, AB
Ph: (403) 291-4700 Fx: (403) 291-2092
Products/Services to be displayed: Air quality instruments to measure continuous source & emissions monitoring (gas analyzers), continuous particulate monitoring, our Industrial Hygiene and Safety instrumentation along with introducing our new Mercury emissions monitoring instrument.

Thermo-Kinetics Company Limited #1827
Mississauga, ON
Ph: (905) 670-2266 Fx: (905) 670-8530
Products/Services to be displayed: Temperature and process control devices as well as analytical instrumentation and wireless instrumentation.

Tri-Phase Environmental Inc. #2117
Mississauga, ON
Ph: (905) 823-7965 Fx: (905) 823-7932
Products/Services to be displayed: Environmental services.

TS Environmental Services #2115
Mississauga, ON
Ph: (905) 238-0362 Fx: (905) 238-0361
Products/Services to be displayed: Health & safety and environmental services.

Tuthill Vacuum & Blower Systems #1826
Springfield, MO
Ph: (417) 865-8715 Fx: (417) 865-2950
Products/Services to be displayed: Blowers

Vector Process Equipment Inc. #2030
Mississauga, ON
Ph: (416) 527-4396 Fx: (905) 567-8590
Products/Services to be displayed: Water and wastewater treatment equipment, polymer systems, chemical feeders, filtration systems.

Vogelsang #2130
Ravenna, OH
Ph: (330) 296-3820 Fx: (330) 296-4113
Products/Services to be displayed: Sludge pumps & inline grinders.

Wainbee/Filtramax #2103
Mississauga, ON
Ph: (905) 568-1700 Fx: (905) 568-0083
Products/Services to be displayed: Wastewater management and filtration.

Warren's Imaging & Dryography #1816
Toronto, ON
Ph: (416) 745-8200 Fx: (416) 746-4172
Products/Services to be displayed: Offset printing.

Waterra Pumps Ltd. #2027
Mississauga, ON
Ph: (905) 238-5242 Fx: (905) 238-5704
Products/Services to be displayed: Groundwater monitoring supplies.

We Communications Inc./ReNew Canada #1752
Toronto, ON
Ph: (416) 444-5842 Fx: (416) 443-8886
Products/Services to be displayed: ReNew Canada magazine, Canadian Water Treatment magazine, & creative design & marketing services.

Wessuc Inc. #2125
Jerseyville, ON
Ph: (519) 752-0837 Fx: (519) 752-0840
Products/Services to be displayed: Biosolids management, wastewater cleanout specialists (digesters, aeration tanks, lagoons, etc). Mobile screening and dewatering.
